

Mount, William

Nov 1913

November 24th, 1913

Mr. William Stewart,

649 Woodbine Avenue,

Toronto.

Dear Mr. Stewart:

I have discussed with the Superintendent the matter of your letter. He informs me however that he has no position for which he can recommend your appointment to the Board of Governors. Consequently, I am afraid you cannot look to the University for employment. I hope that you will be able to get some elsewhere.

Yours sincerely,

President.
